Dana Eaton, Kevin King, Rick Lemyre and Lill Pierce of the Brentwood Regional Community Chest recently took delivery of a \$2,500 check from the Streets of Brentwood.

Similar checks went to the Heritage High School Band Boosters and the Ron Nunn Elementary School Parents Club. The Streets' Community Partnership program devotes a portion of sales from all stores in the lifestyle center to local charities.

The latest partner is the Liberty High School Band Boosters, which, like Heritage, is helping to send students to the Pacific Rim Festival in Hawaii in March.

Liberty's band will be performing at the Streets this weekend. Because of the expected rain, you'll find them at the Anchor Blue location and in the space closest to The Rave Theater.
