Community Chest rolls out the barrels

Nov 16, 2010

Photo by Richard Wisdom

Dozens of collection barrels for the Brentwood Regional Community Chest have been placed around far East County, and they're already attracting attention.

The annual drive to provide food and toys for 500 local families began in earnest Nov. 1, as participating businesses have provided brightly wrapped barrels ready to receive non-perishable food and new, unwrapped presents. The community is encouraged help with the sorting on Dec. 17 and the distribution on Dec. 18, both events taking place at Brentwood Elementary School, 200 Griffith Lane.

To request a donation barrel, or to report one that's full and ready to be picked up, call 925-820-8296.

The barrels can be found at the following locations:
