---

Hundreds of helpers gathered Dec. 15 and 16 for the annual Brentwood Regional Community Chest (BRCC) Christmas drive program. Over 400 families were served this year, and according to Dana Eaton, co-president of the BRCC, there was enough extra food to distribute to local charities that will continue to serve those in need throughout December.

“It was amazing to see, once again, that our community came out by the hundreds on Friday and Saturday night to support neighbors and friends,” said Eaton.
