

FOUNDED BY ROSE PIERCE

The Brentwood Regional Community Chest was founded by Rose Pierce over 50 years ago. Rose originally founded the Delta East Coalition which collected money and food for needy families throughout the county.

The program eventually evolved into the Brentwood Regional Community Chest. The Board of Directors and hundreds of community volunteers work to continue to support Rose's vision of a community supporting its' own.

A moment of silence in honor of Rose is held each year on the Friday night of packing.
